

Education

2001 PhD in Earth Sciences at the University of Siena, Italy.

1995 “*Third European Intensive Course on Soil Micromorphology*” Gent University (Belgium).

1994-1995 Research Grant at the *Centre for Quaternary Researches-Department of Geography Royal Holloway University of London* United Kingdom

1993 BSc+MS *cum laude* in Geology at the University of Camerino, Italy

Appointments:

Since 2018 Associate Professor (Geomorphology) at The Earth Science Department, University of Torino, Italy.

2008-2018 Researcher (Geomorphology) at the Earth Science Department University of Siena.

2006-2008 Geologist Private Consultancy

2001-2005 Research Fellow at the Earth Science Department University of Siena

Synergistic activities

2019 Editor of *Quaternary International*.

2019 ongoing Advisory Member di SACCOM INQUA Commission on Stratigraphy and Chronology

2015 ongoing Secretary of SEQS INQUA-Section on European Quaternary Stratigraphy.

2015 ongoing Member of the CMS National Centre for Seismic Microzonation (CNR-DPC)

2015 ongoing - Secretary of SEQS INQUA-Section on European Quaternary Stratigraphy

2015 ongoing Full Member of SACCOM INQUA Commission on Stratigraphy and Chronology

2013 ongoing Full Member of the Scientific Board of the PhD School “Geological, Environmental and Polar Sciences” University of Siena

2004-2012-2019 – Guest Editor of Special Issues of *Quaternary International*

2012 Scientific Committee e Organizing Committee International Meeting “SEQS 2012 (Section on European Quaternary Stratigraphy – INQUA), Sassari 26/30-09-2012

2004 Scientific Committee and Organizing Committee International Meeting “Paleosols: memory of ancient landscapes and living bodies of present ecosystems” Istituto Sperimentale per lo Studio e la Difesa del Suolo-Università di Firenze-IUSS International Union of Soil Science- INQUA International Quaternary Association, Firenze, 7-11 June

2004 Scientific Committee e Organizing Committee International Meeting “FLAG-SEQS 2004 (European Fluvial Archive Group e Sub Commission on European Quaternary Stratigraphy – INQUA), Siena 7/11-09-2004

1998 to Present - Member of the SEQS INQUA-Section on European Quaternary Stratigraphy

Main Scientific activities

- **Geoarchaeology and Soil Micromorphology** (Toscana, Trentino, Alto Adige, Marche (Italy); Ethiopia)
- **Seismic Hazard and Seismic Microzonation** (Toscana, Umbria, Marche, Abruzzo; Italy)
- **Geomorphology, Landscape evolution, Quaternary Stratigraphy and Palaeopedology** (Italy, Ethiopia, Bolivia, Ecuador)
- **Geologic, Geomorphological and Pedological Mapping** (Toscana, Marche, Umbria, Lazio, Abruzzo (Italy); Ethiopia).
